

How to Set a FiledBy Link to Twitter

Note: You cannot currently add an HTML link badge to Twitter, as they do not allow HTML code in tweets. However, you can still add a link back to your FiledBy site by following the steps below:

1.) Step 1 – Find your URL.

- a. From a new internet browser, go to <http://www.filedby.com>
 - i. Click the “login” button at the top of the screen to get started.

Sign In!

Username:

Password:

- b. On your Account page, there is a field below your Photo that says “To send a direct link to your FiledBy site cut and paste your url below”. Place your mouse cursor in the box and copy the contents of the box.
 - i. To select the entire contents of the box, hold down the Ctrl key and press the “A” key on your keyboard.
 - ii. Hold down the Ctrl key again and press the “C” key to copy the contents to your clip board.

To send a direct link to your FiledBy site cut
and paste your url below
