"..a moving, informative account of one woman's slow victory over pain."
- The Washington Post, Family Almanac, 6/28/1990

"An, inspiring, empowering, loving book that will be of great help to those with arthritis."
- Gerald G. Jampolsky M.D., Center for Attitudinal Healing

*"..with an honesty that is spellbinding."
"You read this to live. Arthritis or not."*
- The Book Reader, May - June, 1990

"Fleming's prose is analytical and intense, her poems shards of glass that cut through the elaborate analyses. A distinctive viewpoint that resounds with the imperative of taking responsibility for one's own life."
- Virginia Dwyer, Booklist, 9/15/1990
